

## Knowledge is Power

### Are You Worried about Outliving Your Money?

Let me ask you - Do you ever find yourself waking up in the middle of the night wondering or worrying about retirement? For instance, have you ever had the concern or worry of > Will the money I saved for my retirement last as long as I do? If you are someone who has asked yourself that question, let me assure you that you are not alone. This is a real concern for many people as longevity continues to increase. In fact, according to the US Census Bureau and supported by the National Institute on Aging, the nation's 90 and older population nearly tripled over the past three decades, reaching 1.9 million in 2010. And, the Centenarians are the fastest growing segment of our population. Can you believe that the number of 100 year olds is expected to hit 6 million by 2050! So, that is why there is so much concern out there about outliving your money.

Fortunately though, you do not have to panic or worry too much. With today's arsenal of financial tools available, there are ways that you can set up a retirement income that you cannot outlive. Today's tools are flexible to meet a wide variety of needs along with a lifetime income, including legacy planning options.

So, if you have the concern or worry of running out of money in your retirement, feel free to reach out to us for more information. This information could very well provide you will some much needed peace of mind when it comes to your retirement income.
